

Student-Athlete Scholarship Agreement

TNA SCHOLARSHIP MEMBERSHIP / 12 MONTHS / €350

ATHLETE FULL NAME		DATE OF BIRTH
SPORT	NATIONALITY	PHONE / WHATSAPP
EMAIL		COUNTRY OF RESIDENCE
TARGET INTAKE (TERM / YEAR)	START DATE (DATE OF ACTIVATION)	END DATE (START DATE + 12 MONTHS)
PARENT / GUARDIAN FULL NAME (IF ATHLETE IS A MINOR)		RELATIONSHIP TO ATHLETE

This Agreement is between TNA Sports Corp. (California, USA), doing business as TNA Recruiting, which operates TNA Sports Agency and tnasportsagency.com ("TNA"), and the student-athlete named above (the "Athlete"). If the Athlete is a minor when it is signed, the parent or legal guardian named above (the "Parent/Guardian") also signs it, as set out in Section 9. It sets out the terms of the TNA Scholarship Membership.

1 Purpose

The Athlete engages TNA for 12 months of support in finding and applying for university, scholarship and training opportunities, mainly at colleges and universities in the United States. During the Term TNA manages the recruitment process together with the Athlete: it prepares the Athlete's profile, makes the applications through TNA, communicates with university coaching staff, and guides the Athlete and family through admission, eligibility, financial aid and the student visa. The Athlete and family make every decision, including which opportunities to pursue and whether to accept any offer.

2 Membership Plan and Fee

The fee is a one-time payment for the full Term, paid through TNA's secure checkout or by another method agreed in writing with TNA. TNA is not required to begin work until payment is received.

TNA SCHOLARSHIP MEMBERSHIP

€350 EUR

12 months of TNA support from the Start Date. One payment.
Applications through TNA with no fee per application.

NOT INCLUDED

Costs charged by third parties, for example university application and tuition fees, NCAA or NAIA Eligibility Center registration, tests, translations and credential evaluations, the I-901 SEVIS fee and U.S. visa fees, travel, housing and insurance. The Athlete or family pays these directly.

The "Term" begins on the date TNA confirms payment and activates the membership (the "Start Date"), unless a later date is written above, and ends 12 months later. If the Athlete renews while a membership is still active, the new Term begins on the day after the current Term ends. If the Target Intake is after the End Date, services needed after the End Date (for example offer review or visa guidance for that intake) require a renewal of the membership. This Agreement does not renew automatically unless both Parties agree in writing. TNA charges the Athlete no other fee under this Agreement: **no fee per application, no success or placement fee, and no share of any scholarship, financial aid or other award.**

3 Services During the Term

After payment is received, TNA will:

- **Evaluation and strategy.** Review the Athlete's sporting level, results, academics, video and goals, and agree a realistic recruitment and scholarship strategy and university list with the Athlete and family.
- **Profile and recruiting materials.** Set up and review the Athlete's TNA athlete profile, and advise on the recruiting video, results, rankings or ratings and academic information that university coaches ask for.
- **Student-Athlete Network.** After TNA review, publish the profile in the TNA Student-Athlete Network at the visibility the Athlete chooses, for as long as the membership is active. The Athlete's phone number and email are never shown there; universities contact TNA.
- **Matching and applications.** Match the Athlete with suitable partner universities, scholarships and training opportunities on the TNA platform, and prepare and submit the Athlete's applications through TNA to the opportunities the Athlete chooses or approves, with no fee per application. There is no limit on the number of applications.
- **Outreach and communication with coaching staff.** Introduce the Athlete to university coaches where the Athlete's level and academics fit, answer coaches' questions about the Athlete, and follow up on the Athlete's applications.
- **Interview and coach-call preparation.** Help the Athlete prepare for calls, interviews and visits with university coaches.
- **Offer review and decision support.** Help the Athlete and family understand and compare any offers, using the information each university gives in writing.
- **Admission, eligibility, financial-aid and visa guidance.** Explain the steps, and the documents each step usually needs, for university admission, NCAA or NAIA Eligibility Center registration, financial aid and the F-1 student visa (Form I-20, I-901 SEVIS fee and visa interview).
- **Support all year.** Answer the Athlete's and family's questions by email and WhatsApp during the Term; applications and their status are shown in the Athlete's TNA dashboard.

TNA may assign or reassign the TNA team members who work on the Athlete's case for staffing or operational reasons.

4 What the Athlete and Family Do

Some steps can only be completed by the Athlete or the family. TNA guides them through each one, and the Athlete (with the Parent/Guardian where applicable) is responsible for:

- providing accurate and complete information and documents, such as results, rankings or ratings, transcripts, test scores, video and references, and updating them when they change;
- responding to TNA and to university coaches promptly, and attending scheduled calls and interviews;
- completing, signing and submitting any admission application that a university requires in its own system, and taking any tests a university requires (Schedule A, items 7 and 8);
- registering with the NCAA Eligibility Center or the NAIA Eligibility Center when required, and paying their fees (Schedule A, items 3 and 4);
- obtaining the Form I-20 from the university that accepts the Athlete, paying the I-901 SEVIS fee and applying for the F-1 visa (Schedule A, items 5 and 6);
- paying all third-party costs described in Section 2;
- telling TNA about any direct contact or offer from a university TNA has introduced, so that communication stays coordinated;
- reading every written offer and university document before accepting it, and checking any eligibility question with the university's athletics compliance office or the relevant athletics association.

TNA is not responsible for missed opportunities caused by late responses, inaccurate or incomplete information or documents, or missed calls, interviews or deadlines.

5 No Guarantee

No admission, roster place, scholarship or visa is guaranteed. Admission, roster places, scholarships and financial aid are decided only by each university and its coaching staff; athletic eligibility is decided under the rules of the relevant athletics association, by its eligibility center and the university; and visas are decided by the U.S. authorities. TNA does not guarantee admission, a roster place, a scholarship, any amount or type of financial aid, an eligibility decision, a visa, or any result within the Term.

Outcomes depend on the Athlete's level, academics, timing, budget and each institution's needs. Some institutions do not offer athletic scholarships at all (Schedule A, items 1 and 2). A university being listed on the TNA platform or described as a TNA partner does not mean that it will admit the Athlete, offer a roster place or award aid.

6 A Flat Fee for Services

The fee pays for TNA's services during the Term. It does not depend on, and will never change because of, the Athlete's admission, enrollment at any particular institution, a roster place, or the type or amount of any scholarship or financial aid. TNA will not ask the Athlete, the family or anyone on their behalf for any payment linked to those outcomes.

TNA is a recruiting and support service. It is not an agent for the Athlete: it does not negotiate or solicit any professional sports contract, endorsement contract or name, image and likeness (NIL) agreement for the Athlete. This Agreement is not an agreement to secure the Athlete's enrollment at any particular institution: the Athlete chooses where to apply and whether to accept any offer, and the fee is the same whatever the outcome.

College athletics rules differ between the NCAA divisions, the NAIA and the NJCAA, and they change. TNA does not decide, and makes no promise about, how any university or athletics association will apply its rules to this Agreement; only they can decide that. Before signing, and again before accepting any offer, the Athlete may ask the compliance office of the university or association concerned to confirm that this Agreement does not affect their eligibility, and TNA will answer any question that office asks.

7 Profile, Data and Privacy

The Athlete permits TNA to use the Athlete's name, photo, video, biography, results, rankings or ratings and academic information to build the TNA athlete profile, to make applications through TNA, to share with universities and their coaching staff in the course of applications and introductions, and to publish in the TNA Student-Athlete Network at the visibility the Athlete chooses. The Athlete may change the visibility or ask for the profile to be unpublished at any time. TNA will not use the Athlete's name, image or video in TNA advertising or on social media without separate written consent, and will not knowingly misrepresent the Athlete's level or academics.

Uploaded documents stay private to the Athlete and the TNA team unless the Athlete asks TNA to share them with a university. TNA processes personal data as described in the TNA Privacy Policy (tnasportsagency.com/privacy) and never sells personal data. The Athlete or Parent/Guardian can view and edit their data in the TNA profile at any time, and may ask for it to be exported or for the account to be deleted by emailing tnasportsagency@gmail.com.

8 Confidentiality

Both Parties keep private information confidential. TNA keeps the Athlete's documents, academic records and family information private, except as needed for the services and applications described in this Agreement. The Athlete and family keep TNA's university and coach contacts, internal opportunity lists and TNA materials confidential, and do not share them with other agencies, recruiters or third parties without written permission.

9 Minor Athletes

If the Athlete is under 18, or under the age of legal adulthood in the country or state where they live if that is higher, a parent or legal guardian must also sign this Agreement. By signing, the Parent/Guardian confirms that they have legal authority to act for the Athlete, agrees to this Agreement on the Athlete's behalf and in their own name, gives the permissions in Section 7, and is responsible for the payment and for the Athlete's responsibilities in Section 4. TNA will include the Parent/Guardian in important communication and will not ask a minor Athlete to accept any offer or sign any document without the Parent/Guardian. Some official steps also need a parent, for example the Form I-20 for a student under 18 (Schedule A, item 5). This Agreement continues if the Athlete becomes an adult during the Term.

10 Independent Relationship

This Agreement is not exclusive. The Athlete is free to contact universities directly and to accept or decline any opportunity. TNA is not the Athlete's employer or legal representative and does not provide legal, immigration, tax or financial advice. Universities, athletics associations (such as the NCAA, NAIA and NJCAA), eligibility centers, testing organizations and U.S. government agencies are independent third parties: TNA is not responsible for their decisions, rules, deadlines, fees or offers, or for changes to them.

11 Refunds, Cancellation and Termination

The fee is generally non-refundable because TNA begins administrative, profile, matching and application work after payment. No refund is owed because a university does not admit the Athlete, offer a roster place or award aid, or because the Athlete does not cooperate, provides false or incomplete information, or misses calls, interviews or deadlines. If something has gone wrong with the purchase, the Athlete or Parent/Guardian may contact TNA, and TNA will review the case individually and promptly. Nothing in this Agreement removes any right to cancel, or to a refund, that applicable consumer law gives and that cannot be excluded by contract.

Right to cancel for consumers. If the Athlete or Parent/Guardian lives in the European Union, the EEA or the United Kingdom, or in another country whose consumer law gives a cancellation period, they may cancel this Agreement within 14 days after the day they sign it, without giving a reason, by emailing tnasportsagency@gmail.com. If they cancel in time, TNA refunds the fee within 14 days, using the payment method they used. If they asked TNA to start work during those 14 days and then cancel, TNA may keep an amount in proportion to the services provided before they cancelled.

Cancelling. The Athlete or Parent/Guardian can end this Agreement at any time by emailing tnasportsagency@gmail.com. It ends on the day TNA receives the email. Ending early does not by itself give a right to a refund: refunds are given only where TNA agrees after reviewing the case, where consumer law requires it, or where TNA ends this Agreement as described below.

TNA may end this Agreement by written notice; email is enough. If TNA ends it for any reason other than those listed in the next sentence, it will refund the part of the fee that covers the unused whole months of the Term. TNA may end it immediately, with no refund, if the Athlete or family provides false information or documents, acts abusively or unprofessionally, or breaches confidentiality. When this Agreement ends or the Term expires, applications through TNA and publication in the Student-Athlete Network stop; the Athlete's account and history stay, and the membership may be renewed.

12 Liability

TNA will provide the services with reasonable care and skill. To the maximum extent allowed by law, TNA's total liability under this Agreement shall not exceed the fee paid under it. Nothing in this Agreement limits any liability that cannot be limited by law.

13 Governing Law, Entire Agreement and Effective Date

This Agreement is governed by the laws of the State of California, USA, unless another jurisdiction is required by law. The Parties agree to first attempt to resolve disputes through good-faith communication. Any dispute not resolved within 30 days may be brought in the state or federal courts located in California, unless the law of the country where the Athlete or Parent/Guardian lives as a consumer gives them the right to bring it there. This Agreement, including Schedule A, is the entire understanding between the Parties about the TNA Scholarship Membership and replaces any earlier membership terms for it; where the website terms differ, this Agreement applies. Any changes must be made in writing and approved by both Parties. If any clause is unenforceable, the remainder stays in effect.

This Agreement takes effect when the Athlete (and, where required, the Parent/Guardian) signs it, including by electronic acceptance in the TNA portal, and TNA accepts it by confirming payment and activating the membership. A signature in the "For TNA" box is not needed for this Agreement to be binding. The services start on the Start Date. Sections 7, 8, 11 (refund terms), 12 and 13 continue after this Agreement ends.

KEY TERMS AT A GLANCE

FEE	€350, one payment. No fee per application, no success fee, no share of any scholarship.	Section 2
TERM	12 months from the day TNA confirms payment and activates the membership. No automatic renewal.	Section 2
WHAT TNA DOES	Evaluation and university list, profile, matching, unlimited applications through TNA, coach outreach, interview preparation, offer review, admission, eligibility and visa guidance, support all year.	Section 3
ATHLETE AND FAMILY	Accurate documents and quick replies; the university's own admission forms and tests; Eligibility Center registration; I-20, SEVIS fee and visa application; third-party costs.	Section 4
GUARANTEE	None. No admission, roster place, scholarship or visa is guaranteed.	Section 5
CANCEL / REFUNDS	End any time by email to tnasportsagency@gmail.com . The fee is generally non-refundable; problems are reviewed individually. Consumers in the EU, EEA or UK can cancel within 14 days; other consumer-law rights are unaffected.	Section 11
MINORS	A parent or guardian must also sign.	Section 9
LAW	State of California, USA.	Section 13

This summary is for convenience only. If it differs from the Sections above, the Sections apply.

By signing below, the Athlete (and, for a minor Athlete, the Parent/Guardian) confirms that they have read, understood, and agreed to this Agreement, including the one-time fee in Section 2, the responsibilities in Section 4, and that no admission, roster place, scholarship or visa is guaranteed (Section 5).

FOR TNA	ATHLETE	PARENT / GUARDIAN (IF ATHLETE IS A MINOR)
NAME	NAME	NAME
TITLE	PLAN — €350 / 12 MONTHS	RELATIONSHIP
SIGNATURE	SIGNATURE	SIGNATURE
DATE	DATE	DATE

This document is provided by TNA Sports Agency for the Athlete's and family's review, and they may have it reviewed by a qualified legal professional before signing. Electronic acceptance in the TNA portal constitutes a binding signature. If the Athlete is a minor, this Agreement binds the Parties only after the Parent/Guardian has also accepted it in the TNA portal or signed it on paper, and TNA will not activate the membership before then.

A Schedule A — Official Rules Referred to in This Agreement

Each item uses the exact wording of TNA's rules records, checked against the official source named (October 2026). Rules and fees change; the Athlete and family should confirm current requirements with each university and athletics association.

- 1 **NCAA Division III.** Division III schools may not award financial aid to any student on the basis of athletics leadership, ability, participation or performance, so there are no athletic scholarships in Division III tennis. (Bylaw 15.01.3 applies to every sport, not only tennis.)
Source: [2026-27 NCAA Division III Manual, Bylaw 15.01.3](#)
- 2 **Ivy League.** Ivy League schools provide financial aid to students, including athletes, only on the basis of financial need. There are no academic or athletic scholarships in the Ivy League.
Source: [Ivy League – Prospective Athlete Information](#)
- 3 **NCAA Eligibility Center.** International students who plan to enroll at any NCAA school must register with the NCAA Eligibility Center at [eligibilitycenter.org](#).
Source: [NCAA 2026-27 Guide to International Academic Standards for Athletics Eligibility](#)
- 4 **NAIA Eligibility Center.** Every first-time NAIA athlete, including international students and transfers, must register with the NAIA Eligibility Center at [PlayNAIA.org](#) and receive an eligible decision before competing. This registration is separate from the NCAA's.
Source: [NAIA Guide for the International Student-Athlete](#)
- 5 **Form I-20.** Every F-1 student needs a Form I-20 ("Certificate of Eligibility for Nonimmigrant Student Status"), which the designated school official (DSO) at the SEVP-certified school that accepts the student issues. The student and the DSO both sign it, and parents sign for a student under 18.
Source: [Study in the States \(U.S. Department of Homeland Security\), Students and the Form I-20](#)
- 6 **I-901 SEVIS fee.** Prospective F-1 students must pay the I-901 SEVIS fee before the U.S. Department of State issues their visa. Paying it requires the school code and SEVIS ID from the Form I-20, and proof of payment must be shown at the visa interview.
Source: [Study in the States \(U.S. Department of Homeland Security\), Paying the I-901 SEVIS fee](#)
- 7 **Test scores.** NCAA initial eligibility no longer needs test scores, but individual universities may still require SAT/ACT scores for admission or scholarships, so recruits should check with each school.
Source: [NCAA 2026-27 Guide to International Academic Standards for Athletics Eligibility](#)
- 8 **English tests and admission.** EducationUSA says most U.S. colleges require non-native English speakers to take an English language exam as part of the application. There is no single national college entrance exam: each college sets its own admission requirements, including which tests it accepts.
Source: [EducationUSA \(U.S. Department of State\), Prepare for U.S. standardized tests](#)
